## 2011

This is going to be a record setting year for your Neighborhood Association. After many years we finally have a Federal designation as a Neighborhood Revitalization Area. We are now eligible for grants and are given a priority status over other applicants.

First phase is a special Housing and Urban Development Grant that is already been sent to the city to help pay for a comprehensive neighborhood cleanup this spring.

**Please fill out the enclosed survey and return to the Association. These surveys will be used to contact you, provide the help you need, and provide proper noticing of all the important dates to come.**

**Please update all your contact numbers and email, in an emergency (these numbers are held as confidential) we may need to contact you.**

It is an awful economic time, over 30 foreclosures in our area alone, only more reasons why we need to stay organized and keep our membership high. Please stay active within your neighborhood and let's make it better than ever.

### Upgrade from NERT to CERT

Thursday, February 17th in the EOC (Emergency Operations Center) 6:30 to 9:00 p.m.

It is time for all of us to become involved in our neighborhood & volunteer to help. Take that first step and fill out the application blank on the back.

**Please update your phone numbers and email addresses!**
